

The Logo „PCCT – Original“ explained

COLORS

The colors of the logo “PCCT – Original” (blue, red, yellow and white) are the colors of the Philippine flag and of the Austrian flag. So the colors represent these countries and their people.

FLAGS, CROSS & DOVE

The Philippine and the Austrian flag are tied through the cross and the white dove representing our common Catholic Faith and peace as well.

SUN

The sun represents both the basic knowledge that the Father makes his sun rise on the evil and on the good, and sends rain on the just and the unjust (Matthew 5,45) and the relationship to other countries and cultures.
